

IN THE BUFF Heading into San Antonio, Gunn rides straight into the middle of a buffalo hunters war. The mean and dirty Simons brothers are out to kill more than just buffalo; they want to ruin the rival Masters outfit. When Gunn finds out that Masters has two delicious daughters, its not hard for him to choose sides. He hires out his sharpshooting skills to protect the wild and lusty Masters girls—and doubles their pleasure and doubles their fun with his red-hot, double-barreled, multi-firing gun!
