

The Cartel

From the bestselling author of the acclaimed *The Power of the Dog* comes *The Cartel*, a gripping true-to-life epic, ripped from the headlines, spanning the past decade of the Mexican American drug wars. Its 2004, DEA agent Art Keller has been fighting the war on drugs for thirty years in a blood feud against Adan Barrera, the head of El Federacion, the world's most powerful cartel, and the man who brutally murdered Keller's partner. Putting Barrera away costs Keller dearly the woman he loves, the beliefs he cherishes, the life he wants to lead. Then Barrera gets out, determined to rebuild the empire that Keller shattered. Unwilling to live in a world with Barrera in it, Keller goes on a ten-year odyssey to take him down. *The Cartel* is a true-to-life story of power, corruption, revenge, honour and sacrifice, as one man tries to face down the devil without losing his soul.
