

## The Cat Who Came to Breakfast

When a cabin cruiser explodes and a series of deadly accidents follow, Quilleran and the cats set off for Breakfast Island to investigate. What could be the connection between the deaths and the proposed resort complex that has islanders, summer people, and mainland fishermen hopping mad? In search of a good story for his newspaper column, Qwill, Koko, and Yum Yum are on the case, which can only mean excitement for Cat Who... mystery fans.
