

## The Strain Book Two - The Fall

A vast conspiracy prevents the truth about the vampire epidemic from coming to light. A small force is humanity's only chance: an alcoholic, a doctor, a pawnbroker, an exterminator, and a criminal. Can they prevent the Master from covering the world in darkness? This collection includes issues #1-#9 of the acclaimed series and a short story featured in Dark Horse Presents that follows the travails of an aged luchador, the Silver Angel, written and illustrated by Lapham.
