

The Casebook of Sherlock Holmes (Annotated)

The first British edition and the first American edition of the collection were both published in June 1927. However, they had slightly different titles. The title of the British collection was *The Case-Book of Sherlock Holmes* (hyphenated Case-Book), whereas title of the American was *The Case Book of Sherlock Holmes* (Case Book as two words). Further confusing the issue of the title, some later publishers published the collection under the title *The Casebook of Sherlock Holmes*.
