

Track of the Cat

The first Anna Pigeon mystery The fascinating hero of Nevada Barr award-winning series, park ranger Anna Pigeon has brought an unyielding love of nature and sense of fair play to the mystery genre. Track of the Cat is the acclaimed novel that first introduced readers to Anna, as a woman looking for peace in the wilderness and finding murder instead. When the cause of death is chalked up to a mountain lion attack, Annas rage knows no bounds. Its up to her to save the protected cats from the politics and prejudices of the locals and prove the kill was the work of a species far less rare
