

The Twilight Bone: The Show Dog Diaries Volume 1

Talisman the Australian Shepherd is a feisty, young show dog with psychic gifts. Talis extended family includes her neurotic sisters, the hilarious spirit of Mae West, a hyper, freestyle-dancing Border Collie, and her heart person Valentino DeMitre - who has just found his own heart person. In this humorous novella, Tali must deal with star-crossed love and a terrifying ghost haunting the prestigious dog show she is attending. Can her innate ghostbusting abilities save the day? Funny and exciting, touching and inspiring, The Twilight Bone is a chewy treat for humans of all ages! The Twilight Bone is a prequel to Show Dog Sings the Blues.
