

Excerpt from Treasure Island Prince Otto Years ago when I was a little boy of twelve I was spending my holidays in Scotland with my mother and my step-father. He was an unknown and unsuccessful author named Robert Louis Stevenson, who wrote books that never passed beyond one small edition, and whose gay acquiescence in failure cost me many a childish pang. I knew that his books were very poor, for being a great reader I had toiled through every one of them. Indeed, they were so uninteresting that I even wondered he had as many as the seven hundred and fifty readers whom he said he could always count on. Feeling that he ought to do better, I often timidly remonstrated with him, pointing out that while he wrote beautifully, was not his fault perhaps in the choice of subjects? But his only answer was to burst out laughing and then to tell me with humorous impressiveness that there was certainly one thing he would never never he - and that was a popular author. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Twenty Thousand Leagues Under the Sea (Annotated), The shadow over Innsmouth, The Adventures of Huckleberry Finn (with the original illustrations by E. W. Kemble), Pediatric Anesthesiology, An Issue of Anesthesiology Clinics, 1e (The Clinics: Internal Medicine), Burning Wyclif (Walt McDonald First-Book Series),
