

The Crayon Reading Book: Comprising Selections from the Various Writings of Washington Irving (Classic Reprint)

In compliance with the suggestion of several teachers, this volume has been prepared as a reading book for schools. The Sketch Book having been already chosen as a classbook in some of the higher schools, it was considered that a selection from all the writings of Irving, with special reference to this purpose, would form a very acceptable and attractive book: the variety of topics being such as would excite the attention and interest of the pupil: while as models of Composition, the publisher presumes that these pages will be also well approved by instructors who appreciate the advantages of a chaste and classic English (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org
