

# The Yorkshire Three Peaks Challenge

Discovery Walking Guides Celebrating 25 Years of Adventures is slashing the price of its Challenge books from GBP8.99 to GBP4.99 for books bought up to 30 September 2013. If you are new to walking in the Yorkshire Dales, you're in for a treat, as we trace our way up the Three Peaks. First though, we'll do them one at a time, giving a chance to savour the experience, as well as getting to know the area. Paul Shorrock is the local expert who has brought together the whole Yorkshire Three Peaks Challenge adventure. He starts by exploring each of the three peaks through six day walks before moving on to tackle the whole challenge. Everything you need to explore these glorious landscapes and prepare yourself for the 12 hour Challenge is included in The Yorkshire Three Peaks Challenge:-

- Fully detailed walk descriptions, with frequent timings to aid navigation, for the six day walks and the complete challenge.
- OS 25k large scale mapping of all the walking routes.
- gps waypoints for the pin-point navigational accuracy that is so valuable for a successful challenge.
- Full training, accommodation and local information for everything you need to know before attempting the challenge.

The Three Peaks of the Yorkshire Dales provide some of the finest walking in Britain. With a combination of high peaks and stunning scenery the area is rightly popular with outdoor types, from leisure walkers up to super-fit fell runners. It always seems to follow that when you have a mix of high places and human beings, sooner or later someone will come up with an idea of a challenge of some kind. With the Three Peaks of Pen y Ghent, Wharfedale and Ingleborough the solution was simple - do them all in one walk! New for the 2nd edition is the news that Paul's routes are now the official Y3P routes.
